

The Bradford Ohio Railroad Museum celebrates the heritage and impact that the Railroad had upon our community and the individuals who worked within the railroad industry.

Founded in 2002 by several local railroad enthusiasts, the Bradford Ohio Railroad Museum takes you on a journey through our local railroad history as depicted through photos, interactive displays and railroad memorabilia.

MUSEUM FEATURES

The Bradford Ohio Railroad Museum offers 3 levels of professionally procured exhibits, displays and information including...

- The Railway YMCA
- Role of the Railroad in War
- Dining Car Exhibit
- The Telegraph (interactive display)
- The BF Tower
- Children's Play Area
- Museum Gift Shop

BF TOWER

With Operational Signals

Located at 501 East Main Street, just a few blocks from our main campus, the BF Tower demonstrates the role a Switching Station played in directing traffic through a junction.
