Day One

If you are seeking a romantic getaway then Darke County is the place for you! Start off your day on a relaxing and romantic stroll on your bicycles through **Alice Bish Park**, or even launch your canoes and kayaks here. During the spring and summer season, kayak rental is available at the **Bish Discovery Center** located next to the park. This is also the hub for the Tecumseh Bike Trail. With 15 miles along the trail that stretches from Greenville to Bradford, there is plenty of incredible scenery to discover. When you are ready to grab some lunch, head on back to downtown Greenville and grab a bite to eat at any of the downtown eateries, including **Montage Cafe**. Next check out the various shops in downtown. **Historic Downtown Greenville** is boasting with various boutiques, stores and more. Although we have great hotels with **Comfort Inn**, **Baymont Inn** and **Holiday Inn Express**, maybe try something a little different with one of our beautiful Bed and Breakfast establishments. Our newest to open is the **DownTowner B&B** and is located a block from downtown Greenville. Enjoy the Casablanca room with an attached 3/4 private bath or the Traveler's Room that is tastefully decorated with Art Deco styled furnishings and memorabilia from the 1930's and 40's with a private detached full bath. A stay at the **French House B&B** near Versailles, is secluded and a perfect representation of country life. **Wayman's Corner B&B** is a unique retreat in the heart of Ohio. Facing a quiet residential street, their front entry reminds summer guests of yesteryear with it's huge hanging baskets of Boston Ferns and a balcony porch whose planter boxes are overflowing with brilliantly colored Coleus. Spend time chatting with family and friends or enjoy a time-out before you explore our small town.

The Darke County portion of the trail, includes a chance to grab a romantic lunch at **The Winery at Versailles**. Sip and savor various wines with your girls for lunch and enjoy the view of several acres of vineyard, a small waterfall and a covered patio for outdoor enjoyment. Next, head over to **A.R. Winery and Briar Brown Brewing Co.**, located just south east of Greenville near Arcanum. Take in the views, amazing brick oven pizzas, wine slushies, rocking chairs, bull frogs, great company and the quiet farm life this vineyard has to offer. For your final destination be sure to stop by **Twenty-One Barrels** near Bradford. Enjoy their many different flavors of wines and cider. Before you head home sit down and enjoy dinner at **The Endless Pint** in downtown Versailles with one of their specialty pizzas and enjoy one of their great beers brewed on site.
